

DANEM INTERNATIONAL

ELECTROMECHANICAL DIVISION

Chillers | Compressors | Pumps | Controllers
| Valves and Spare Parts

Sabroe and York Products & Spare Parts

Sabroe products are recognised and respected throughout the world for their build quality, long-term operating reliability and cost-effectiveness.

system. YORK® chillers use a variety of compressor types designed to meet the unique demands of each project

Long-life - extended service intervals

Boost your SABROE compressor with long-life spare parts and get extended service intervals

With solutions from 10 through 500 tons, screw or scroll, Carrier air-cooled chillers are the best choice for your needs

Products and Spare Parts

Gram refrigeration is a Danish producer of industrial screw/ piston compressors Now there are thousands of compressors produced by Gram working all over the world.

Trane® is a world leader in air conditioning systems, services and solutions. Trane helps customers succeed by providing innovative solutions that optimize indoor environments through a broad portfolio of energy-efficient heating, ventilating and air conditioning systems, building, contracting and energy services, parts support and advanced controls for homes and commercial buildings.

Danfoss – Engineering Tomorrow

Products and Spare Parts

The Pump Technology That The World Trusts

With engineering features that offers extended operational life over traditional designs, Tsurumi offers a unique design that fits all types of customer's wastewater and sewage applications

We develop water solutions for the world. We set the standard in terms of innovation, efficiency, reliability and sustainability

Products and Spare Parts

Whether a hydropower project or pumps for cooling high horsepower diesel and gas engines, the need to source a world class manufacturer who can maintain quality whilst increasing operational reliability and efficiency, are challenges common to engineering managers and project consultants the world over

Products and Spare Parts

Xylem's Flygt brand provides customers with a complete range of products and solutions for moving water and wastewater.

Engineered to Meet Today's Most Demanding Water Treatment Standards

The EXCEL XR Chemical Metering Pump Series Featuring enhanced performance and process control capabilities for accuracy, reliability and process control flexibility

ITT Goulds Pumps is among the most widely recognized and respected brands in the global pump industry, serving customers in the oil and gas, mining, power generation, chemical, pulp and paper, and general industrial markets. As the only manufacturer to make digital monitoring standard on every process pump, ITT Goulds Pumps continues to lead the industry in both mechanical pump design and the adoption of smart technologies.

Heating Ventilation Air Conditioning

Chiller
Condensers and Condensing Units
Dedicated Outside Air System
Indoor Packaged Equipment
Duct-Free Mini-Split Systems
Rooftop HVAC Units
Variable Refrigerant Flow Systems

PUMPS & MOTORS

Air Operated Double Diaphragm Pumps
Diaphragm Pumps
Peristaltic pumps
Damper
Drum pumps
Electromechanic Dosing Pumps
Mixers
Magnetic Driven Centrifugal Pumps
Basket Strainer
Centrifugal Pumps
Accessories

We are one of the prominent Electric Motors Importers, Suppliers and Exporters based in Dubai, UAE. The technologically advanced Electric Motor offered by us is sourced from reliable manufacturers and vendors, who guarantee superior quality and glitch free performance of our motors.

VALVES

Butterfly Valves
Ball Valves
Blocked & Beed Valves
Gate Valves
Lubricated Plug Valves
Strainers
Relief Valves
Globe Valves
Back Flow Preventor
Steam Traps
Low Pressure Valves
Check Valves - Pressure S
Dual Plate Check Valves
SS/CS Pipe Fittings
Branch Connections

Refrigeration and Air Conditioning

Thermostatic Expansion Valves
Solenoid Valves
Pressure and temperature regulating valves
Electronic Controls
Solenoid coils
Pressure switches and thermostats
ICF multifunction valves
Filter driers
Shut-off valves
Check valves
Internal heat exchangers
Regulating valves
Oil separators
Strainers
Contactors & Motor Starters
Controls Accessories and Spare Parts
